Sir.

I respectfully request that a Military Commission be convened as soon as practicable, for the purpose of investigating whether or not I am entitled to pay for the months of March and April 1863, the Paymaster, Maj. Hargrave, has declined to pay me for the reason of my having been absent on the day of muster. The accompanying documents will show that I had leave of absence for twenty days to visit my family. I left Young's Point, La, on the 10th day of April returned and joined my regiment on the 1st day of May. I made all possible efforts to be present in time for muster, but was prevented by the force of circumstances. I now earnestly request that my case be inquired into.

I remain Sir,

delivered to me, on the *fourteenth* day of *June*, 1864;
and having thus agreed with said *Dietrich Moers*, I DO HEREBY
ACKNOWLEDGE to have enlisted this *eleventh* day of *June*
1864, to serve as a **Soldier** in the **Army of the United States of America**, for the period
of **THREE YEARS**, unless sooner discharged by proper authority: I do also agree to accept such
bounty, pay, rations, and clothing, as are, or may be, established by law for soldiers. And I do
solemnly swear that I will bear true and faithful allegiance to the **United States of America**;
that I will serve them honestly and faithfully against all their enemies or opposers whomsoever;
and that I will observe and obey the orders of the President of the United States, and the orders
of the Officers appointed over me, according to the Rules and Articles of War.

Sworn and subscribed to, at *St. Charles, Mo.*

We certify, on honor, That we have carefully examined the above-named Volunteer Substitute
agreeably to the Regulations, and that, in our opinion, he is free from all bodily defects and mental infirmity
which would in any way disqualify him from performing the duties of a soldier; that he was entirely sober
when enlisted; that he is of lawful age, (not under 18 years;) and that, in accepting him as duly qualified to
perform the duties of an able-bodied soldier, and as a Substitute in lieu of *Dietrich Moers*
enlisted and liable to be drafted in under act and amendments
thereof of March 3, 1863, we have strictly observed the Regulations which govern
in such cases. This soldier has *Blue* eyes, *Black* hair, *Fair* complexion; is *6* feet *2*

I have the honor to acknowledge the receipt of yours in regard to David Voss the case is not the only one and I have concluded to call your attention to the matter. not only that, but the statement of Mr Wm Walls U. S. Special agent which is herewith submitted goes to show that this man has been paroled for a long time. Mr Walls claimed the reward then Capt Colman stated that the man had been arrested before the order was issued suspending both the salary and reward which would be more than two months that he has been paroled. Capt Colman has sent for the man and I have declined to deliver the man until I hear from the gov again shall I release him or turn him over to Capt Colman. I am very respectfully

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier has served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Sir

In Co A - 8th Regiment commonly
called the American Zouaves is a private
enlisted as Henry O'Neill. He was this month
eighteen years of age, but as an orphan, under
the decision of the Courts, the writ of Habeas
Corpus will ~~be~~ not lie, he having neither
parent nor guardian -
He is the eldest of five children, the youngest
being twelve years old - Next to him in age is
his sister, a very respectable young girl. She
lives at service and her earnings together with
his supported the family.
I invoke your interposition as Commander
of the Department to authorise his discharge.
His aid is absolutely necessary to that of his sister

for the support of the younger children - Besides
that she is so distressed and worried by anxiety
for him since his enlistment that she herself
will soon be unable to maintain herself, unless
she is relieved by his discharge from the service.

He himself is anxious to be relieved and has
the promise from friends of his sister that if he
succeeds he will be aided by them in the procure-
ment of steady employment -

Knowing the strictness of military discipline
& nevertheless earnestly request you a favor-
able answer, readily lending any evidence
which may be required of the facts I have stated.

With sentiments

of profound respect

I have the honor to remain

upon the 30th ult. I was having to
reply from a Mr. E. Davis (I suppose the
Sen.), Private Secretary, stating that the Sen.
had been too much occupied to attend to it,
but promising it his "prompt & most favor-
able attention." I know how arduous must
be the duties of the Con. Sen. - I therefore address
myself to you with the request - that if possible
you could procure a decision -

Henry Still is a minor, having completed
last month his eighteenth year - having neither
parents nor guardian, no kind of stake or interest
can be set out for his discharge - I have

the application upon the facts that O'Keefe is the
eldest of five children - That himself & his sister next
in age, have hitherto supported the family - That in
divine necessity, he enlisted, his friends not knowing
of his sister, promise that if he can be discharged, he
shall have ample means - His sister is distressed
to death, with alarm for his safety -
I know nothing of the parties, further than that these
facts are given to me by parties of unquestioned respect-
ability - ~~I am not acting as~~ But as in my letter
to the Genl - unquestioned evidence can be offered

My reason is the same I gave January 4th last

add that my health is not equal to the active duty and
exposure of the campaign. I have been paid up to December 31, 1861 and
have no further property in my possession. I have the honor to be

Asks leave of absence for

Read Dept Mississippi
March 18th 1862.

St. Heiman, Ky. 25th February, 1862.

Sir,

I find that my family have immediate need of my presence, to provide a home and proper care for them during the summer, and I respectfully ask leave of absence for one month that I may in that time, visit them (in Northern Wisconsin) and secure for them the home and comforts they will else be in need of.

I have been in service now over eight months and have had no leave of absence.

Fearing that the necessities and practice of the service may deny me this leave of absence, I enclose herewith, because it is necessary I should go soon, a resignation of my commission, with the request that it may be taken under consideration if the leave of absence cannot be granted.

I have the honor to be

From Lt E. R. Otis

Requesting acceptance of
resignation forwarded
2nd March from Lt. Heiman.

St. Louis, Mo., 31st March, 1862.

Sir,

In applying for leave of absence granted in S. O. No. 19, Dept. of the Miss., I accompanied the request with a letter of resignation to be acted upon if the leave of absence could not be granted. I find that a General Order, of which I had not informed myself, preventing me drawing pay away from my regiment, hinders me in accomplishing the object sought in applying for leave of absence, and would embarrass me in undertaking to rejoin my regiment. Under the circumstances, I have to request the acceptance of the resignation named, to date from the 26th inst. at which time I left the regiment. The reasons then given for resigning, still exist.

I have the honor to be

Respectfully

Sir,

I am compelled to ask that the Paymaster be directed to forward me on my account, at this place, a Treasury order to the amount of one hundred dollars, (or fifty dollars, as he deems best.)

I do not know that this application is formal or can be granted. but I have been in service since May 10th last, without having received any pay, viz: May 10th to June 12th Corporal in Co. D., 3^d Regt Res. Corps; and June 12th to date ^{1st} Lieutenant in Co. B., 8th Mo. Vols.,—part of this latter time having served on the staff of regt, on which account I could not make out a pay account without reference to Morning Report Book of Regt.

I respectfully
ask that Private Oscar A. Paterson, of my Company
(I) 8th Regt Mo Vol Infantry, now detailed as clerk at
Head Quarters 2nd Dir 15th Mo. be relieved from duty
at that place and ordered to report to me for duty.
My Reason is for asking for him, that I have my

man in the company that can do the work. my former
company clerk now being absent in St Louis, Mo.
I learn that the man is willing to Return to his

Mr St Johnson

~~Dear Sir~~ will show you the
"Leave of Absence" and the official action
of Adjutant Coleman of my Regt. But
the same has been withdrawn. It will
also show you the Surgeons Certificate of
my inability to return to Camp at this time.

Cor. Burgeson Peterson secured a furlough
from regular office in September for 30 days
under the latter condition to absent. I am
advised to present these papers as a basis
for my application to your office for a
furlough for two weeks at which time if
necessary I will renew my application.
All this is not formal enough, you
be advised as to manner ~~2nd Johnson~~ what
other to take in the matter.

Respectfully
Yours St Johnson

Col Peckham

Dear Sir

Your Application for a Continuation of leave of Absence, has been granted. You will report to Adj^t Gen. Rusham Every two weeks until able to report for duty.

I have never heard the report mentioned in your letter. Nor can I find an Officer in our Regt who has. I am satisfied that it never originated among the Officers, who all consider you a bristly, and are all very anxious for your return.

Our Regt with the Chicago Battery & two companies of Cavalry under command of Brig Gen^l Patton and Col Smith, left our camp at 8 O'clock Monday Evening for Viola, about 21 miles from here and some 8 miles from Mayfield, when we arrived at 4 A.M. Tuesday Morning. Not finding any force there, or at Mayfield we started for Paducah at 5 O'clock P.M. and arrived at 1 O'clock same night. Men completely worn out.

There is a report to day that 2000 men are marching on this point, from Columbus. They will be here, if they come. Major McDonald is on the Sick list for the last 10 days.

Partridge is in St Louis, consequently the Field
and Staff of our Regt for duty amount to 3
Col. myself & the 2 Master.

Write soon

Maj Genl H. W. Halleck

General

I hereby resign my position as Lt Col of the
8th Regt Wis and beg that Capt Giles A Smith
be appointed to command the Regiment temporarily
and be recommended to Governor Gamble for
Missouri re-commission as Lt Col. This meets the views of the Senior Captain.
All my action in the past has been governed by
what I considered for the best interests of this Regt.
and my present action is solely with that view.
It is a matter of indifference to me whether my
motives are appreciated or not or that the Cause
be benefited by the change. I append a paper
the unanimous expression of the "Officers & men" of
this command which I sincerely hope will merit
your attention.

I was last paid by Maj Stevenson to value &c

Acting Major Gen Lewis Wallan

Allow me to call your attention to the fact that Dr. Bowman & Peterson Surgeon of the 8th Mo Reg. has been absent from the Regiment since about the 9th of June last.

He came to Paducah during the fall for the purpose of resuming his duties but was not permitted to do so by Surgeon H. C. Hewitt. The case has been referred to Surgeon Wright Medical Director at St Louis - who informed me that it had been sent up to Major Gen Halleck and would be ^{soon} ^{done} ^{settled}. But as yet nothing has been ^{done} during most of the time Assistant Surgeon Bailey has performed all medical services for the Regiment, which is more than his constitution will bear. The condition of the Regiment requires the constant attention of both Surgeon and Assistant Surgeon. I therefore most earnestly request that the proper authorities be urged to decide upon the case of Dr. Peterson and allow the Regiment the needed medical aid -

Respectfully & Truly

Dr B. H. Peterson was mustered into the service as Surgeon of this Regiment at the Saint Louis Arsenal. In September last he was shot in the back by an assassin at Cairo. By order of Genl Grant he was taken to Saint Louis by myself and while there received a furlough from Genl Fremont for the purpose of visiting Philadelphia & having a surgical operation performed in order to have the ball extracted from his back. He is still absent, suffering from his wound, but about to return to Camp. He has from time to time presented certificates of disability and does not consider that he is absent without leave.

I hope that Dr Peterson may not be injured by unjust representations.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable cause for pension, special care must be taken to state the degree of disability—no *f. &c.*, &c.: to describe particularly the disability, wound, or disease; the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1200 Regulations, Edn. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, opthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in *duplicates* by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General, United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment binds to service. A master-in must, in all cases, precede payment of pay, bounty, pension, &c. A master-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the discharging officer.

The Adjutant General's Office,

WAR DEPARTMENT,

Washington, April 28, 1910.

It has this day (April 28, 1910,)

been determined by this Department from the records that the above named soldier was discharged from service June 30, 1862, under the provisions of General Orders #14, Headquarters, Department of Mississippi, dated April 2, 1862; that he was again accepted into service in the same organization March 7, 1864, and that the charge of desertion of June 30, 1862, standing against him on the records, is erroneous.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds no service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the discharging officer.

When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to the representatives for the same, have occasion to leave the regiment or post, by promotion or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

DECEASED SOLDIERS.

PAR. 132. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 25th Article of War, will be forwarded to the Adjutant General, by the commanding officer of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, containing the date, place, and cause; to what time he was last paid, and any money or other effects in his possession at the time of his decease. Such report will be noted on the next muster roll of the company to which he belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company _____, regiment of _____, who died at _____, the _____ day of _____, 186-." If a legal representative receive the effects, it will be stated in the report. If the effects were not received, the fact will be reported.

PAR. 133. The effects of a deceased non-commissioned officer or soldier shall not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

PAR. 134. In all such cases of sale by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of _____, late of company _____, regiment of _____, who died at _____, the _____ day of _____, 186-."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

FINAL STATEMENT

OF

John W. Reeves
8th Reg't of Missouri Infantry

VOLUNTEERS.

Died Dec 22 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, as well as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landwarrant will be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for *COMPANIES* and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

Winfield S. Riggs was enlisted in my Company April 30, 1862, as a Musician on the application of his father, a private in the Regiment. A short time afterward the Drum Major reported to me that the boy would never make a musician, having no ear for music. He is but thirteen years old, and small for his age. The service would be benefitted by his discharge.
